

Jamboree Newsflash No 7
9th December

Positive Notice *blue cards*

I would like to advise all Adults that are attending the Jamboree to check the expiry date of your Positive Notice *blue card*. To attend the Jamboree your card must be current at the time of the Jamboree. Please ensure you get your renewal application in on time.

New forms are available from the Queensland Scout Centre or can be downloaded from the Members Only Area of the Queensland Branch website.

Applications

Just to ensure there are no hiccups with the application process, all forms must go to the Queensland Contingent, no paperwork goes to the Jamboree Operations Committee (NSW)
Please refer to Newsflash No 6 for details of the application process

CATARACT

Photos for on line applications

It seems as though we have a few smarties entering on line applications. Instead of putting in their photo it seems they would rather have a photo of the family cat. This is a time waster for all concerned, don't forget your name is on the application so we do know who you are.

Ideas for Christmas

Want some ideas for Christmas. I always tell Scouts get rid of the plastic ware for eating and get stainless steel. The cuts in plastic plates harbour germs and can never be cleaned successfully and don't last. Stainless steel plates and cutlery is the way to go. The plate above can be purchased for \$5, and for less than \$25 you can have a complete stainless steel kit. I have had mine for around twenty years and other than loosing them will not have the need to replace them.
