## **Tips on lodging an Application on line**

Filling out applications on line can at times be frustrating, my suggestion is don't do it alone turn this into an Event. Try the following:-

- Get the Troop or Patrol together at a destination where you can lodge an application on line, view what is on the Queensland Contingent website and have a BBQ. This may be at the Leaders home or one of the Scouts homes.
- The Contingent will be setting up some computers at Headquarters. Fill in your applications, find out the latest regarding the Jamboree and visit the Scout Supply Centre. (We will advise of date and time)
- Remember Faster, Smarter on line and earn a badge.

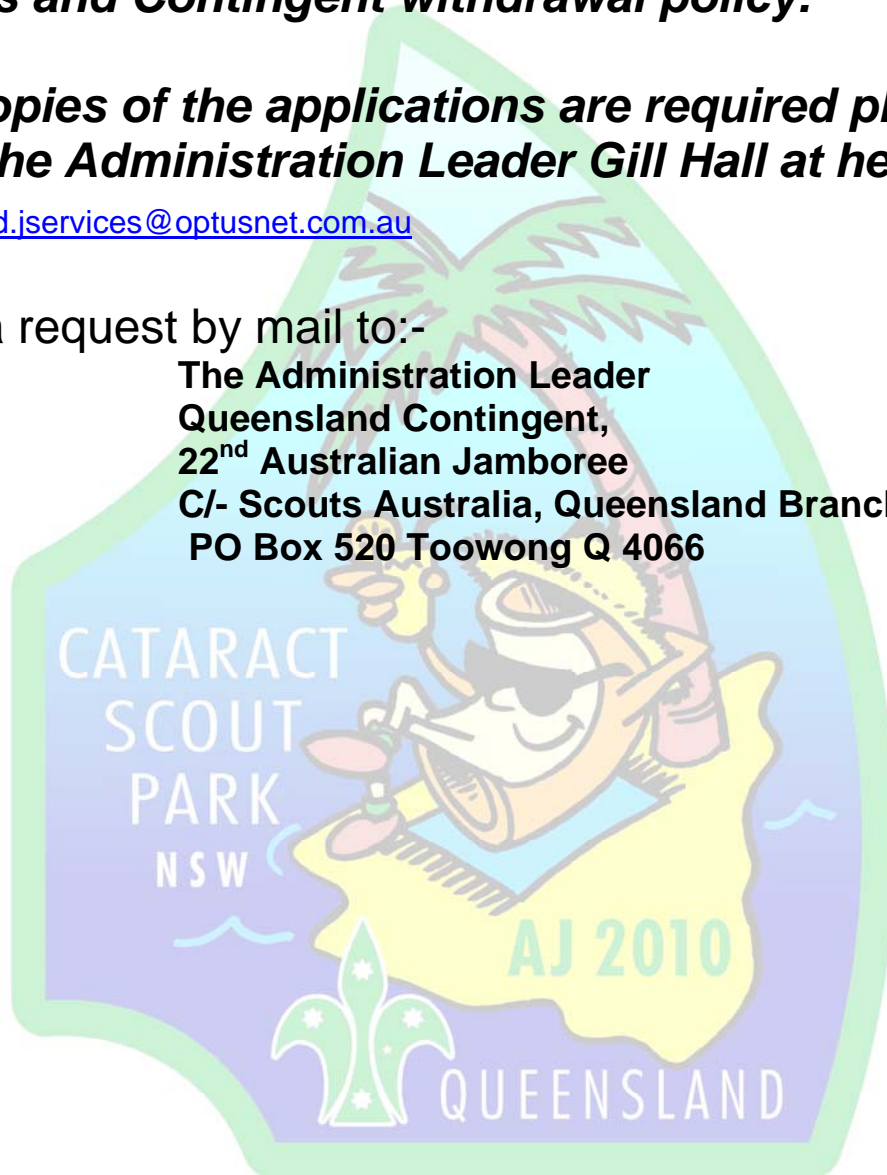

***Please note Applications without the first payment will not be activated as a member of the Contingent and will not receive bulletins or other information provided to the Contingent members.***

***Please refer to the payment schedule for time frames of payments and Contingent withdrawal policy.***

***If hard copies of the applications are required please contact the Administration Leader Gill Hall at her Email address [d.services@optusnet.com.au](mailto:d.services@optusnet.com.au)***
